Forward-Looking Statements and Non-IFRS Measures

In the interest of providing shareholders and potential investors with information regarding TFI International, including management's assessment of future plans and operations, certain statements in this presentation are forward-looking statements subject to risks, uncertainties and other important factors that could cause the Company's actual performance to differ materially from those expressed in or implied by such statements. Such statements are subject to the safe harbor created by the United States Private Securities Litigation Reform Act of 1995, as amended.

Such factors are further discussed under Risks and Uncertainties in the Company's Annual Information Form and MD&A, but readers are cautioned that the list of factors that may affect future growth, results and performance is not exhaustive, and undue reliance should not be placed on forward-looking statements.

The expectations conveyed by the forward-looking statements are based on information available to it on the date such statements were made, and there can be no assurance that such expectations will prove to be correct. All subsequent forward-looking statements, whether written or orally attributable to the Company or persons acting on its behalf, are expressly qualified in their entirety by these cautionary statements.

Unless otherwise required by applicable securities laws, the Company expressly disclaims any intention, and assumes no obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Non-IFRS Measures

This presentation contains non-IFRS measures, including adjusted earnings per share, free cash flow conversion, adjusted EBITDA, adjusted free cash flow, and return on invested capital. The non-IFRS information provided is used by our management and may not be comparable to similar measures disclosed by other companies. The non-IFRS measures used herein have limitations as analytical tools and should not be considered measures of income generated by our business or discretionary cash available to us to invest in the growth of our business. You should not consider the non-IFRS measures used herein in isolation or as substitutes for analysis of our results as reported under IFRS. Refer to the Appendix section of this presentation for reconciliations of the non-IFRS measures.

1. This is a non-IFRS measure. The Company believes adjusted EBITDA to be a useful supplemental measure to assess its performance

2. Recasted as of April 21, 2020 for changes in presentation

3. Recasted for adjustments to provisional amounts of UPS Freight prior year business combination

Note: As of 2019, results include the impacts from the adoption of the new IFRS 16 Leases as discussed in note 3 of the audited consolidated financial statements.

As is permitted with this new standard, comparative information has not been restated and, therefore, may not be comparable

1. This is a non-IFRS measure. The Company adjusts net income to exclude these items because they affect the comparability of its financial results and could potentially distort the analysis of trends in its business performance. Excluding these items does not imply they are necessarily non-recurring.

2. Recasted for adjustments to provisional amounts of UPS Freight prior year business combination

Note: As of 2019, results include the impacts from the adoption of the new IFRS 16 Leases as discussed in note 3 of the audited consolidated financial statements.

1. This is a non-IFRS measure
 2. The return on invested capital of the U.S. based LTL has been modified to remove the impacts of the bargain purchase gain from the operating income net of exclusions as well as from the average invested capital to align the capital with the acquisition price. In addition, for Q1-2022, as the Company had only owned UPS Freight, which represents substantially all of the U.S. based LTL operations, for 11 months, the average invested capital was adjusted to reflect the 11 months of ownership
